License Grant

Licensor grants you (Licensee) personally a single-user, non-exclusive, non-transferable, free of charge right:

- To install the MMH on computers owned, leased **or** otherwise controlled by you **and/or** your organization;
- To use the MMH for the sole purpose of performing non-commercial scientific research, non-commercial education, **or** no
- To modify, adapt, translate **or** create derivative works based upon the MMH.

Any other use, in particular any use for commercial purposes, is prohibited. This includes, without limitation, incorporation in a commercial product, use in a commercial service, or production of other artifacts for commercial purposes. The MMH may not be reproduced, modified and/or made available in any form to any third party without HSD's prior written permission.

The MMH may not be used for pornographic purposes or to generate pornographic material whether commercial or not. This license also prohibits the use of the MMH to train methods/algorithms/neural networks/etc for commercial use of any kind. By downloading the MMH, you agree not to reverse engineer it.

No Distribution

The MMH and the license herein granted shall not be copied, shared, distributed, re-sold, offered for re-sale, transferred or sub-licensed in whole or in part except that you may make one copy for archive purposes only.

Disclaimer of Representations and Warranties

You expressly acknowledge and agree that the MMH results from basic research, is provided "AS IS", may contain errors, and that any use of the MMH is at your sole risk. LICENSOR MAKES NO REPRESENTATIONS OR WARRANTIES OF ANY KIND CONCERNING THE MMH, NEITHER EXPRESS NOR IMPLIED, AND THE ABSENCE OF ANY LEGAL OR ACTUAL DEFECTS, WHETHER DISCOVERABLE OR NOT. Specifically, and not to limit the foregoing, licensor makes no representations or warranties (i) regarding the merchantability or fitness for a particular purpose of the MMH, (ii) that the use of the MMH will not infringe any patents, copyrights or other intellectual property rights of a third party, and (iii) that the use of the MMH will not cause any damage of any kind to you or a third party.

Limitation of Liability

Because this MMH License Agreement qualifies as a donation, according to Section 521 of the German Civil Code (Bürgerliches Gesetzbuch – BGB) Licensor as a donor is liable for intent and gross negligence only. If the Licensor fraudulently conceals a legal or material defect, they are obliged to compensate the Licensee for the resulting damage.

Licensor shall be liable for loss of data only up to the amount of typical recovery costs which would have arisen had proper and regular data backup measures been taken. For the avoidance of doubt Licensor shall be liable in accordance with the German

Product Liability Act in the event of product liability. The foregoing applies also to Licensor's legal representatives or assistants in performance. Any further liability shall be excluded.

Patent claims generated through the usage of the MMH cannot be directed towards the copyright holders.

The MMH is provided in the state of development the licensor defines. If modified or extended by Licensee, the Licensor makes no claims about the fitness of the MMH and is not responsible for any problems such modifications cause.

No Maintenance Services

You understand and agree that Licensor is under no obligation to provide either maintenance services, update services, notices of latent defects, or corrections of defects with regard to the MMH. Licensor nevertheless reserves the right to update, modify, or discontinue the MMH at any time.

Defects of the MMH must be notified in writing to the Licensor with a comprehensible description of the error symptoms. The notification of the defect should enable the reproduction of the error. The Licensee is encouraged to communicate any use, results, modification or publication.
